

KAGITUMBA - KAYONZA - RUSUMO ROAD PROJECT (208KM)

TECHNICAL AUDIT FOR RWANDA TRANSPORT DEVELOPMENT AGENCY (RTDA) ON THE KAGITUMBA - KAYONZA - RUSUMO ROAD PROJECT (208 KM)

PROJECT: TECHNICAL AUDIT FOR RTDA ON THE KAGITUMBA - KAYONZA - RUSUMO ROAD PROJECT
TYPE: ROADS & HIGHWAYS
LOCATION: KAGITUMBA TOWN, KAYONZA DISTRICT, RUSUMO TOWN, EASTERN PROVINCE, RWANDA
CLIENT: RWANDA TRANSPORT DEVELOPMENT AGENCY/AFRICAN DEVELOPMENT FUND/ TECNICA Y PROYECTOS, S.A. (TYPASA)
PERIOD: JANUARY - JUNE 2021

PROJECT OVERVIEW

The Kagitumba - Kayonza - Rusumo road is part of the international road network which links Rwanda to the Kenyan port of Mombasa through Uganda (Mirama Hill/ Kagitumba border point) and to the Tanzanian port of Dar es Salaam through the Rusumo border point. The road starts at the Kagitumba border (Nyagatare District) and ends at the Rusumo border (Kirehe District).

SCOPE OF WORK

TECNICA Y PROYECTOS, S.A. (TYPASA), and Proess conducted a technical Audit to ensure quality compliance of the Kagitumba - Kayonza - Rusumo road (208 km) rehabilitation and widening by undertaking a Post Construction Stage audit. The assignment was to give the Rwanda Transport Development Agency (RTDA) and the African Development Bank (AfDB) an independent assessment of the overall performance and compliance status of the entire project with recommendations for improvements.
